It is expressly agreed that all use of SPORTSAMERICA S.A., LTD and/or SPORTSAMERICA, INC. (hereafter, "Park") facilities shall be undertaken by players at their sole risk, and the Park shall not be subject to any claim, demand, or for any loss, damage, injury, or death caused to any player, player's family or guest, from any cause whatsoever. Every player, for himself/herself, and on behalf of his/her spouse, children, guests, executors, administrators, successors and assigns, does hereby expressly forever release and discharge the Park, its agents, employees, successors and assigns, for all such claims, demands, injuries, damages, rights or causes of accident.

I further waive any right to claim against SPORTSAMERICA S.A. LTD and/or SPORTSAMERICA, INC., their officers, directors, partners, officials, volunteers, agents or employees for loss of life, bodily injury, property damage and/or loss, or personal loss that may be sustained as a result of my participating in Park leagues, tournaments, and special events.

The Park shall not be responsible for articles lost, stolen or damaged in the Park or on the premises.

PLAYERS' CODE OF CONDUCT

1. The Team Manager will be responsible for the conduct of all the players, and the players shall be responsible for the conduct of all the teams spectators. Any player that is ejected from the game for unsportsmanlike conduct must leave the Park.

3. No player may verbally harass an opposing player or spectator or say things that could promote ill feeling between the two teams or their spectators. No player may continuously argue with an umpire or make comments regarding an umpire's call or lack of a call. This includes making comments about how an umpire calls the game. It also includes comments regarding the pitching and ball and strike calls. In each game, the team or player may be given one warning, and if such conduct shall continue, a player or players can be ejected from the game for unsportsmanlike conduct, and escorted off the Park property.
4. Any player who uses foul language at an umpire or league representative can be ejected from the game and escorted off Park property for unsportsmanlike conduct without being given a warning.

Players failing to adhere to this rule can be suspended and/or assessed a fine.
7. Any player who is assessed a fine must pay this fine before that player will be allowed to play in his/her next game. This includes a penalty levied against a player playing on another team at the Park. Playing in a game before a fine has been paid or playing while suspended will result in a forfeiture of that game, further suspension, and possible increase of assessed fine. Any suspension and/or assessed fine may be appealed to the League Office.
